

Greg Jarvez

Web Developer

Career Summary

I am an individual with a strong background in JavaScript, HTML and CSS. Gregory strongly believes in the power of the Web, and has an intense desire to learn how to improve the webs core functionality, and to also be involved in its future development. I have a good comprehension of programming and can come up with well-constructed ideas and possess good communication skills. I am currently looking for a suitable position with a company that offers a unique work environment within which its staff can thrive and grow.

Web Development Skills

- HTML 5
- CSS3 (SASS)
